2020 was a year like no other.

Guided by our strategic direction, dedicated one team members and mission to end hunger, the Collective was able to make some big impacts:

**Total pounds of food distributed**

**NEARLY 75 MILLION POUNDS**

The Mid-Ohio Food Collective’s onsite Food Pantry pre-COVID was serving approximately 250 families a day; during COVID, we are serving from 600 – 1,000 families per day.

January 1 – December 31, 2020:

150 Team Members & 4,602 Volunteers

**NEW FAMILIES**

- 59,872 new families
- 197,585 total families
- 30.30% of total families are new

**SERVICE VISITS**

1,200,164 total visits with 197,585 unique families

**FAMILY VISITS**

With an average of 6.07 visits per family

**OUTREACH IMPACT**

Our Benefits Outreach team submitted 3,657 applications which attributed to an estimated 2,511,947 SNAP meals

**$1 CAN PROVIDE UP TO 4.5 MEALS**

With each dollar donated we are able to provide up to 4 and a half meals.

**$1 CAN PROVIDE UP TO $9.50 IN GROCERIES**

Every $1 you donate to Mid-Ohio Collective provides $9.50 worth of groceries to hungry families and individuals.
