GIVE A GIFT TO MID-OHIO FOOD COLLECTIVE THROUGH YOUR LIFE INSURANCE

Extend Your Commitment Into a Legacy of Warm Meals and Hope.
Many donors are adjusting and planning for their retirement years; meeting with financial advisors and making decisions to protect the well-being of their loved ones while finding a way to keep feeding people for many years to come.

Adding Mid-Ohio Food Collective as a beneficiary is one way that many donors prefer to make an impact in ending hunger. This was the best option for Brenda, a longtime volunteer and supporter of Mid-Ohio Food Collective. Brenda chose to include Mid-Ohio Food Collective in her estate as a way to honor the sacrifices her mother made to keep her family fed.

Mid-Ohio Food Collective can assist in working with financial advisors to develop the best plan for you to ensure your compassion is felt for years to come.
