We deliver food to more than 680 food pantries, soup kitchens, shelters, after-school programs, and senior housing sites across our 20-county foodprint.

497,499 total miles driven

726,159 people in our footprint are living at 200% below the poverty line representing a household income of $46,050 or less for a family of three.

On average, people who receive food assistance visit a food pantry 7 TIMES OR LESS A YEAR. They come when life happens. Our goal is to eliminate stigma and encourage customers to come to us as often as they need for fresh food.

Mid-Ohio Food Collective believes access to healthy food impacts the overall health of our customers. More than 63% of the food Mid-Ohio Food Collective distributes is fresh, making it easier for our customers to find nutritious meals.

Mid-Ohio Food Collective provides enough food for 169,897 meals a day. That is 47 million pounds in produce and 174 million pounds of groceries.

Every $1 donated can provide up to $4.89 in groceries for our hungry neighbors.
